In February our Cathedral Prayers were led by the Winchester Deanery and our topics were – The Presentation of Jesus in the Temple, and Marriage Week. We enjoyed readings from Luke Chapter 2 verses 22-40 and these were interspersed with prayers and reflections. We had such a blessed time in the Chapel and then went to the Refectory to share coffee and a chat together.

News from Brockenhurst – Are you able to help?

Brockenhurst members have been asked by New Forest Ukraine (a local group sending aid to Ukraine) if we can help by knitting/crocheting booties or mittens for premature/newborn babies to include in the decorated shoe box of items they give to new

Mums on the birth of their babies. They have plenty of hats but only a handful of booties and mittens and desperately need more. They would also welcome baby cardigans/matinee jackets.

If any MU members are able to help, please would you be able to get them to the monthly Cathedral Prayers where Gill Coombs could collect them; alternatively keep items and bring them to the next Information Day?
